As per G.O.(P).255/90/Fin dtd. 28/4/1990, the subscribers to FBS are given option to remit the subscription in lump for the last six months prior to retirement for speedy settlement of the claim. The retiring person can utilize the chance in time. He can submit application to DPO well before 6 months for the recovery of FBS subscription in lump. The FBS section in DPO will see that early action is taken to get the FBS account transferred to this District from outside units. If the retiring person has worked in other units prior to retirement much care should be taken to up to date the register-cum-Broad sheet in respect of the individual. It should also be ensured that the reconciliation of the up-to-date account of the subscriber is done sufficiently early before the retirement of the subscriber.

The concerned section will take early action in the matter. There may be cases in the rest of time the service books of transferred personnel are received in this office. So at the time of receipt of service book of each individual from other units the service book section Clerk will check up whether the particular person is ripe for retirement and if so, without any lapse of time, the position may be brought to the notice of pension section in order to issue appropriate orders in such cases.
