Order No : H1-45962/2017/ID Dated. 09-10-2017

As per the provisions contained in the KPDIP & A Rules 1958, Police officers/officials who get involved in criminal cases are placed under suspension. In the light of standing orders, such suspensions are reviewed periodically at Police Headquarters and recommendations made for their reinstatements. The suspension review as being done as per the standing order of the Police Headquarters involving ADGP is not appropriate. Hence State Police Chief directed in the Executive Directive No. 17/2017 vide reference cited, the suspension should be reviewed at the district level also.

In this scenario, a committee is hereby constituted under the chairmanship of District Police Chief for reviewing the suspensions at the district level and the committee includes the following members.

Members

1. DySP(Admn)
2. DySP(SB)
3. Administrative assistant

The committee should review the suspensions in every quarter and in no case it should take more than 90 days for the next review. The members of the committee will attend the meeting on time without fail as per the direction from this office. The decisions of the committee should report to the headquarters for record and follow up action.
