

Peerumedu Police station is an "ISO Certified Police Station"

Peerumedu Police station in Idukki District started functioning during the era of Travancore Raj.

Peerumedu police station is the second police station in the District, to be designated as "ISO certified police station" during the year 2023, after Muttom Police station, which procured this recognition during the year 2021.

Peerumedu Police station has been designated as ISO certified Police station, and the certificate award was received by the District Police Chief Shri. Vishnu Pratheep T.K. IPS on 16th

November 2023, from the ISO director Shri. N. Sreekuamar, in a grant award event preceded by Shri VA Nishadmon, SDPO Peerumedu, which was inaugurated by Shri Vazhoor Soman, MLA Peerumedu. Peerumedu Deputy Superintendent of Police Shri. V.A Nishadmon presided. Peerumedu Panchayat President Mr. R. Dinesan, Idukki Special Branch Deputy Superintendent of Police Shri. M.R Madhubabu, Kerala Armed Forces 5th Battalion Assistant Commandant Shri. P.O Roy, Peerumedu Police Inspector Shri. V.C Vishnukumar, Kerala Police Officers Association State Treasurer Shri. K.A Ousef, Kerala Police Officers Association District Secretary Shri. Sanal. H, Kerala Police Association District Secretary Shri. E.G Manojkumar, Peerumedu Police Station PRO Shri. Jose Sebastian, other police officers, student police cadets and public representatives attended the event.

The Peerumedu Police station was functioning by devising several schemes for better service delivery, such as better law and order maintenance by detecting and preventing crimes, ensuring quality investigation by using sophisticated and updated techniques, providing better infrastructure for the general public, public friendly and amiable approach from the police personnel towards the general public, ensuring the implementation of green protocol in the station premises, and public social welfare activities through Janamaithri Scheme. All the aforementioned facts were considered while considering the police station for ISO certification.
